Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The claimed combination including the limitations directed to an ophthalmic drug delivery device with an injection port for a needle fluidly coupled to a reservoir for an active agent in a sleeve to fit on a sclera of an eye, is not disclosed nor rendered obvious over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Spector (PN 5,030,214) and Braun (PN 3,884,232) disclose similar ophthalmic drug delivery devices.
